

HAMILTON-WENHAM GARDEN CLUB

celebrating 85 years

New Member Information

Thank you for your interest in the Hamilton-Wenham Garden Club. We are a non-profit community service organization that provides beautification projects in both towns, Arbor Day trees to the children in the elementary schools, garden therapy workshops with the senior housing residents, and workshops for junior garden club members. We also award a scholarship to a local high school graduate each spring, and have created and maintain a garden in Pingree Park. It is through our fundraising efforts that the Hamilton-Wenham Garden Club is able to continue these worthwhile projects.

At the monthly meetings you might attend a lecture, watch a floral demonstration, or participate in a hands-on workshop. They are a lot of fun, a great way to learn about gardening, and to meet some new friends. **NO GARDENING EXPERIENCE REQUIRED!** Feel comfortable with the fact that most of us have acquired our gardening knowledge through the Club meetings and projects. Our members are always willing to share their knowledge, and answer any questions about gardening you may have.

Application to the Hamilton-Wenham Garden Club is open to all interested parties 18 years and older.

Provisional Membership requirements need to be met in the first year of membership. These are outlined on the attached sheet. In **Section 2** you may choose any two in which you would like to participate. Feel free to take part in any additional activities on that list.

You will be assigned some of the responsibilities in **Section 3**, such as serving at one of the monthly meetings, assisting with downtown plant care, and providing an arrangement or potted plant for the HW Public Library. You will be notified in advance through the HWGC Yearbook (which will be distributed in August) or through the HWGC Newsletter. If you are unable to fulfill an assigned duty, you will need to notify the Membership Co-Chairs.

If you have any questions, please contact Membership Co-Chair **Carol Merriman** at 978-468-3243 or email HWGCmember@gmail.com
