

# The Hamilton-Wenham Garden Club

## New Member Information

Thank you for your interest in the Hamilton-Wenham Garden Club. We are a non-profit community service organization that provides beautification projects in both towns, Arbor Day trees to the children in the elementary schools, garden therapy workshops with the senior housing residents, and workshops for youth members. We also award a scholarship to a local high school graduate each spring, have created and maintain a garden in Pingree Park, and occasionally host garden tours and flower shows. It is through our fundraising efforts that the Hamilton-Wenham Garden Club is able to continue these worthwhile projects.

At the monthly meetings you might attend a lecture, watch a floral demonstration, or participate in a hands-on workshop. They are a lot of fun, a great way to learn about gardening, and to meet some new friends. **NO GARDENING EXPERIENCE REQUIRED!** Feel comfortable with the fact that most of us have acquired our gardening knowledge through the Club meetings and projects. Our members are always willing to share their knowledge, and answer any questions about gardening you may have.

Application to the Hamilton-Wenham Garden Club is open to all residents of Hamilton and Wenham 18 years and older. To enroll as a Provisional Member, please send the enclosed application and information forms with a **\$10.00 initiation fee**, and **Annual Dues of \$40.00** for a **total of \$50.00**.
